To Whom it May Concern:

Re: Gibbs Wilson Contracting Inc.

Please be advised that London Health Sciences Centre has used Gibbs Wilson Contracting Inc. on several occasions for both renovations and major new construction projects at the Hospital. The work has always been completed to our satisfaction, within budget and on schedule. Gibbs Wilson Contracting Inc. has always acted in a professional manner and displayed great flexibility to accommodate the various demands placed upon them to meet our requests. Their technical expertise and advice has proved invaluable to successfully completing these projects. We look forward to continuing our working relationship with Gibbs Wilson Contracting Inc for our future construction requirements.

We recommend this firm for your renovation or construction programs and would be pleased to discuss further details if required.

Sincerely,
